

The elegance of stainless steel components complements any design scheme, either in new construction or for renovations. Stainless steel toilet partitions provide a modern look and retain their gleaming beauty indefinitely. By adding a textured finish, increased resistance to vandalism can be achieved. Available in all four mounting styles.

## STANDARD FINISH

#4 Satin

## OPTIONAL FINISH SELECTIONS:

Diamond

Leather Grain

## STANDARD FEATURES:

**Welded Corner**  
Corners of panels, pilasters and doors are welded to each other and to the adjacent face sheets.

**Concealed Latch Mechanism**  
Housed entirely inside the door for durability, tamper-resistance and a clean look.

**Upper Door Bracket**  
Internal part of the door. A pin goes through door and bracket for three-point bearing and operates in a nylon bushing in upper hinge bracket.

**Bottom Door Hinge**  
Gravity-positioning hinge provides safe, durable and maintenance free support.

**Honeycomb Core**  
Made of cellular honeycomb. This type of core provides strong construction and sound attenuation.

**One Piece Mounting Bracket**  
For faster, more precise and sturdier installation of Overhead Braced pilasters.

**Alternate Pilaster Mounting**  
This heavy gauge mounting is furnished on all ceiling-hung and floor-anchored pilasters.

**Shoe Construction**  
One-piece stainless steel, type 304, with #4 satin finish trim shoes are hemmed top and bottom for rigidity and sleek appearance.
