

# HDPE Solid Plastic

Unlike metal, Lenox Lockers are constructed from corrosion-proof, high-density polyethylene (HDPE) material that won't rust or dent.

- More resistant to scratches & easier to repair than metal
- GREENGUARD certified as a low emitting material
- 100% post-consumer HDPE recycled material available in two colors

Pedestal Benches & Locker Benches available in select colors – see color options on [bradleycorp.com](http://bradleycorp.com)

Due to printing variances, the actual material color may differ. Contact your local Bradley Representative for samples.

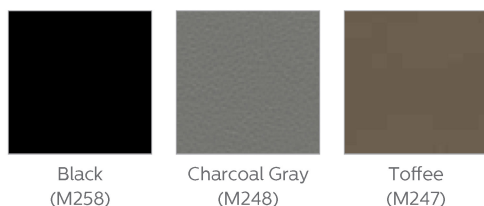

On average, each Lenox Locker keeps more than  
500 milk jugs  
out of landfills, which =  
242.5 kWh  
in Delivered Electricity  
Equivalent, which =  
2,828.73 Thousand Btu  
in Net Energy Savings, which =  
enough energy saved to run a...
