

PLASTIC LAMINATE LOCKERS

Ideal's Plastic Laminates for Durability and Variety

Ideal laminated doors, modern and economical, select one or several colors, textures, patterns, metallic or wood-grain plastic laminates as manufactured by Formica®, Wilsonart®, Nevamar®, Laminart®, Pionite® and Micarta®. Specify colors and alternate your selections by the frame for vertical stripes or by the door for a checkerboard-type appearance. Our laminated door construction has been tested and awarded UL Class B(II) fire rating.

Ideal 1000 Series — "L" lockers showing their versatility with white vinyl interiors.
