Safer, more comfortable buildings.

At Clickeze™, we create shields that make your buildings safer and more comfortable for the people who use them everyday. With cutting edge antimicrobial technology and beautiful designs, we work tirelessly to help provide a clean, healthy and safe environment for patients, visitors and staff.

Take advantage of the **InPro Advantages**.

Buy Online

Featuring 24/7 purchasing, order history, tracking and configurations to aid your selection; buying building products online doesn't get much easier. When you see the **blue ■** visit inprocorp.com to **buy online now!**

Sustainable Products

EnviroGT™ Sustainable Building products feature materials that reduce the environmental impact qualifying for LEED® credits and environmental certifications. The **green ■** lets you know it's "green".

BIM Objects

BIM objects, or Building Information Models, are available for most InPro products. A growing solution for improving architectural concepts, collaboration and precise construction, BIM objects are available when you see the **yellow ■**. *Download objects at inprocorp.com and AutoDesk Seek.*

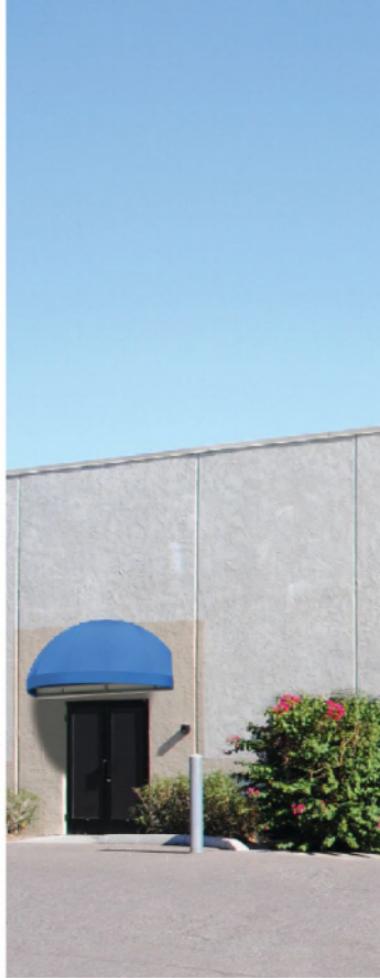

In stock and ready to ship!

Our in-house manufacturing capabilities and high inventory levels have enabled us to offer you the widest selection in stock and ready to ship - fast. In fact, all of our in-stock products are guaranteed to ship within 48 hours*.

*Maximum order size for 48-hour shipping is \$10,000 for products in stock. Lead times vary for products not in stock. Please contact a Clickze™ representative for specific lead times.

Yes. Made in the USA.

In 2011 we sent the middle man packing and opened our own curtain sew shop in Mesa, Arizona. Combined with cubicle track manufacturing in Wisconsin, we're able to offer industry-leading turnaround times and exceptional quality for all our Clickeze™ products.

Nanotrac™ | SignScape™ Architectural Sign

A safer, easier solution for changing cubicle curtains.

No ladder required

- Safety loading unit can easily be remounted onto existing Cliduze Optitrac™ or Ultra Cube™ track, or many of the track systems on the market.
- Lower cubicle track to you for safe and easy curtain change-out.
- Reduce curtain changing time by up to 25%.

Part #59070

Lift curtain

Load track

Click to lock

GREENSHINE

Safety Loading Unit

Available for Optitrac™ and Ultra Cube™ tracks!

Includes hinge, latch and 5' track.

Standard height. Custom lengths available. 3-5'

CE5920 - Optitrac™ Safety Loading Unit - Wall Mount

CE5921 - Optitrac™ Safety Loading Unit - Post Mount

CE8920 - Ultra Cube™ Safety Loading Unit - Wall Mount

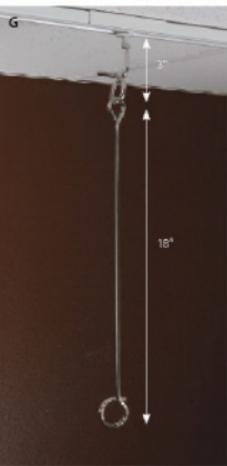

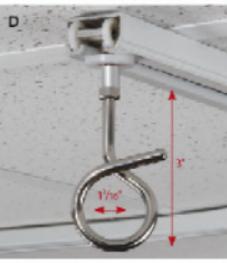

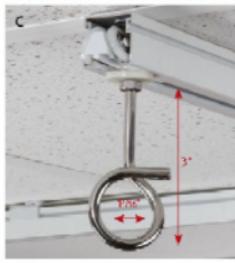

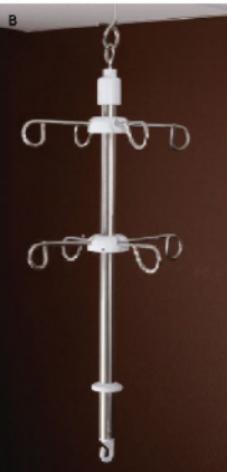

CE8921 - Ultra Cube™ Safety Loading Unit - Post Mount

CE8521 - Operating Wand

Use one wand for every ten units. 4' length

IV Systems

IV Bag Holders

- Offer a twist lock feature to easily lock, unlock and move carriage along track.
- Bag Holders raise and lower without disturbing needles, tubes or causing patient discomfort.

A. IV Five-Bag Holder

CE9505 Open length: 41.5" Close length: 27"

B. IV Nine-Bag Holder

CE9509 Open length: 41.5" Close length: 27"

IV Carriages

Enhanced IV Carriage design reduces jarring as it glides through curves and bends of cube track.

C. IV Carriage: Ultra Cube™

- CE950210 - 10' (3.05m) Ceiling / 27" drop
CE950296 - 9'6" (2.9m) / 21" drop
CE950209 - 9' (2.74m) / 15" drop
CE950286 - 8'6" (2.59m) / 9" drop
CE950208 - 8' (2.45m) / 3" drop

D. IV Carriage: Optitrac™

- CE950210 - 10' (3.05m) Ceiling / 27" drop
CE950296 - 9'6" (2.9m) / 21" drop
CE950209 - 9' (2.74m) / 15" drop
CE950286 - 8'6" (2.59m) / 9" drop
CE950208 - 8' (2.45m) / 3" drop (Not Avail.)

E. IV End Caps

CE9501 (AN) - (shown above)
Available for Ultra Cube track only.

F. Stationary IV Pendant

- Attaches directly to hard ceilings
CE950410 - 10' (3.05m)
CE950496 - 9'6" (2.9m)
CE950409 - 9' (2.74m)
CE950486 - 8'6" (2.59m)
CE950408 - 8' (2.45m) (shown)
Not available for the ceiling heights. Post sold separately.

G. IV Carriage Extenders

Allow you to accommodate high ceilings

(Close: 27" length for a 9' 10" (3.0m) Ceiling)
Drop indicates combined length of carriage and extender.
Posts available for the ceiling heights.

Suspended Track Sets

Reduce excess curtain costs for rooms with high ceilings without compromising patient privacy.

HARD Ceiling Support Brackets
& Suspended Posts

(CES5008 Post sold separately)

Hard Ceiling Support Brackets

Includes ceiling and track brackets. Available in white and gray (-WN) CES8500(ANP) - Ultra Cube™ System CES500(ANP) - Optitrac™ System

Slope Ceiling Support Brackets

Includes ceiling and track brackets. Available in white and gray (-WN) CES8400(ANP) - Ultra Cube™ System CES5400(ANP) - Optitrac™ System

Posts

CES30008(-ANP) Supports suspended track from a ceiling. Available in white/charcoal acrylic enameled finish or anodized. Sold in 8' lengths. Post sold separately. (-ANP) - Available in anodized finish option

Accessory Guide

Flush Tile Grid Clips attach to T-bar grids that are **EVEN** with ceiling tiles. Available for UltraCube™ Track and OptiTrac™ Track Systems.

Regular Grid Clips attach to T-bar grids that are **HIGHER** than ceiling tiles.

Regular Ceiling Spacers

CE101045 - Hides hardware that is exposed when mechanically fastening track to a ceiling grid with regular tiles. Also, provides adequate spacing between track and regular ceiling tile.

Curtain Tie Backs

Designed to hold curtains back when not in use.

Curtain Tie Back with Velcro

Available in matching or complementary fabric, with velcro fasteners. Minimum order quantity applies.

Beaded Plastic Chain

CE9251 - Length: 48" (1.22m)

Beaded Nickel-Plated Chain

CE9252 - Length: 48" (1.22m)

Shop inprocorp.com/dickeze to order online.

Curtain Style Options

Snaps Style

Eliminate gaps that can cause privacy issues with snaps included at the top or side hem of your privacy curtain.

Standard Style

Features mesh at the top for fire code compliance.

Fabric Style

Complete top-to-bottom coverage of fabric.

Drop-Chain Style CE9039

Use to accommodate various height conditions and for air/steam circulation. Not a substitute for mesh.

SEW into the details

Clickeze™ Privacy Systems offers beautiful fabric selections from our leading vendors for use as cubicle curtains, shower curtains, window treatments and bedspreads. Plus, we can purchase from most fabric mills if you find we don't have the fabric you prefer.

100% woven while providing
the same performance as
Designer and Clastic fabrics.

Reduce Contamination.

Shield by Panaz® Antimicrobial and Stain-Resistant Fabric

Our constant search for superior protective materials brought us to Shield by Panaz® antimicrobial and stain-resistant fabrics. Utilizing silane-based technology, Shield fabrics have been tested and proven to be permanently antimicrobial*. These fabrics can help reduce cross-contamination while being highly resistant to most stains, making them ideal for cubicle curtains, shower curtains, window treatments and bedspreads.

* When handled per manufacturer's instructions.

RETURN ON INVESTMENT ANALYSIS: Shield by Panaz® Fabric

Facility: Westchester Medical Center;
Valhalla, New York

Shield by Panaz® fabrics can drastically reduce the cost and time associated with changing curtains by eliminating the need to take them down for routine laundering.

ROI:

The following Return on Investment (ROI) Analysis was compiled by Westchester Medical Center and outlines the cost savings they experienced by installing Shield by Panaz® cubicle curtains.

LAUNDERING
(\$5.50/curtain pair)

Shield by Panaz®
Cubicle Curtain: **\$0**

Standard cubicle: \$11,500
Based on 1000 laundry cycles per year

STAFF TIME/LABOR
(15 minutes/curtain change;
\$30,000 annual salary)

Shield by Panaz®
Cubicle Curtain: **\$0**

Standard cubicle: \$8,400

**LOST REVENUE DUE
TO ROOM CLOSURES**
(avg. daily charge \$5,678*)

Shield by Panaz®
Cubicle Curtain: **\$0**

Standard cubicle: \$119,238
Based on 1000 patient admissions per year

TOTAL COST

Shield by Panaz®
Cubicle Curtain: **\$0**

Standard cubicle: \$139,138

FIRST YEAR COST SAVINGS:

\$50,612

By using Shield by Panaz® cubicle curtains, this facility estimated an initial year cost savings of \$50,612.

Westchester Medical Center, Westchester, NY
Shield by Panaz® Cubicle Curtain in Tudor Fabric

ADDITIONAL SAVINGS PER YEAR:

\$139,138*

Westchester estimates an additional \$139,138 could be saved every subsequent year due to:

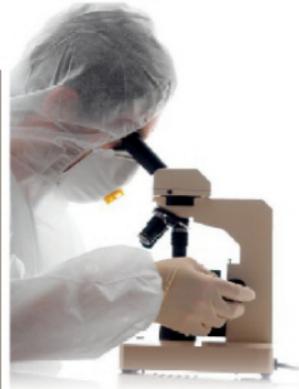

- Reduced energy costs from less laundering
- Reduced chemical (detergent) costs
- Reduced time/labor costs associated with washing curtains
- Reduced risk of safety incidents from installation

*Savings may vary per hospital depending upon the number of patient discharges per year.

ANTIMICROBIAL PROPERTIES ANALYSIS: Shield by Panaz® Fabric

Study conducted by

Guiping Wang, Ph.D.
of New York Medical College

RESULTS	Study showed that Shield by Panaz® fabrics demonstrated significant antimicrobial activity with average reductions as noted below.		
			
	99.9%	99.8%	99.9%
SUMMARY OF MATERIALS AND METHODS	<p>Bacteria Conducted tests using the top 10 microorganisms causing HAIs:</p> <ul style="list-style-type: none">▪ Coagulase-negative Staphylococcus sp. (CoNS)▪ Staphylococcus aureus▪ Enterococcus▪ Escherichia coli▪ Pseudomonas aeruginosa▪ Klebsiella pneumoniae▪ Enterobacter▪ Acinetobacter baumannii▪ Klebsiella oxytoca▪ Candida sp.		
	<p>Isolates Used 104 clinic patient isolates at a tertiary university hospital</p>		
	<p>Fabrics tested</p> <ul style="list-style-type: none">▪ Shield by Panaz® Classic▪ Shield by Panaz® Designer▪ Shield by Panaz® Perspectives▪ Fabric with no antimicrobial properties (control sample)		
QUANTITATIVE ASSESSMENT	<ul style="list-style-type: none">▪ Assess bacterial reduction of Shield by Panaz® fabrics compared to a fabric with no antimicrobial properties▪ Perform using ASTM E2149-10 guidelines		
OBJECTIVE OF STUDY	To assess the antimicrobial activity of Shield by Panaz® fabrics against common pathogens causing healthcare acquired infections (HAIs) in U.S. hospitals.		

Perspectives fabrics are stain resistant and antimicrobial, featuring the same technology you've come to expect from standard Shield by Permatex® fabrics.

Like all Shield fabrics, Perspectives can drastically reduce the overall cost and time associated with changing-out curtains for routine cleaning.
