Model 123BV Shown (open) above

Model 123BV Shown above

Euroline Series

Features a contemporary design for a clean sleek look. European style door hinges allow the door to pivot over the body of the cabinet to provide the option for tandem installation of multiple cabinets or a combination of cabinets and wall mirrors. The mirror door operates with a touch latch magnet to open and close the door. Cabinets can be inverted in the field for right or left door swing. Surface mounted cabinets can be ordered with optional mirrored sides as listed.

Specifications: Euroline Medicine Cabinets are fabricated with 20 gauge white baked enamel steel bodies and doors.

Mirrors/Doors: 3/16" first quality plate glass. Doors are mounted on European style cabinet hinges. Doors operate with a touch latch magnet.

Shelves: 1/4" adjustable glass shelves mounting on locking adjustable aluminum shelf clips.

Options: Mirrored side kits are fabricated of 1/8" polished edge mirror for surface mounted units only.

Special sizes available on request.
