Our Vision

In the fast-paced commercial landscape of the Tri-State area, the restroom is no longer just a functional space—it is a reflection of a building's standards. Mavi Euro Design Toilet Cubicles represent the pinnacle of European-inspired aesthetics combined with American durability.

Contact us.

We serve to commercial and public buildings such as hotels, offices, healthcare facilities, retail spaces, sport complexes, shopping malls, schools and churches. Installation Services are available in New York Metropolitan Area, Connecticut and New Jersey. We sale nationwide.

Why Choose Mavi Euro Design?

Modern Sophistication. Absolute Privacy.

Total Privacy

Engineered with zero-sightline construction, eliminating the gaps commonly found in traditional partitions.

The "Floating" Aesthetic

Our signature recessed pedestal system creates a clean, hovering effect while maintaining structural integrity.

Maintenance Made Easy

Mavi's unique floating design allows for effortless floor cleaning and superior hygiene management.

To integrate Mavi Euro Design into your next project, contact our New York design team for custom specifications and material samples.
