

# Phenolic LT

HIGHRISE, LOFT AND FLOAT SERIES EURO PARTITIONS | URINAL AND SIGHT SCREENS

Bradley's Highrise, Float and Loft series Phenolic LT partitions are light weight for easier installation yet are robust and durable enough for high-traffic restrooms.

## MATERIAL

Bradley's new Phenolic LT material is 1.4" (36 mm) thick with 0.1" (3 mm) solid grade laminate on both sides supported around the perimeter with aluminum framing. Impact and scratch resistant. With an anti-bacterial coating and non-porous surface, Phenolic LT can also help reduce the spread of germs.

7 standard phenolic colors or patterns are available. Almost any other Fundermax or Pfleiderer color or pattern can be ordered at an additional charge.

## PRODUCTS

Highrise Euro Partitions  
Float Euro Partitions  
Loft Euro Partitions

## APPLICATIONS

Office spaces, education, retail, hospitality or any high-traffic restrooms. Outdoor parks, pools, shower rooms or any application where oil or water resistance is needed. Phenolic partitions withstand wet and humid environments.

Note: Due to printing variances, actual color and sheen of the material may differ. Contact your Bradley representative for material samples.
